

Candidate Statement, Mary Meyers, Treasurer nominee

To DEMCCO members:

It is my pleasure to run again for the office of treasurer of DEMCCO. I am very happy to be able to allow the board members to do their important political work, and not have to worry about the finances and the campaign finance reports.

I have been the treasurer for DEMCCO since 2012. I have a bookkeeping certificate from Mira Costa Collège, and am a volunteer tax preparer with an Enrolled Agent certificate. My knowledge of campaign finance reporting has been learned on the job, and my tax experience gives me experience in reading rules and regulations. I use QuickBooks and Excel to prepare my reports.

Thank you for your consideration,

Mary Meyers
