

Candidate Statement, Linda Slater President nominee

Dear DEMCCO members,

It certainly has been an interesting two years as your president. The challenges of COVID-19 and a 2020 election that was the most important election of our lifetimes, required members to stay-at-home yet reach out to voters to convince them to vote and to vote for our candidates. From all the feedback we have received, we served our purpose of electing Democrats to local office exceedingly well. I am proud that I was able to be your leader, point person, and generally anything you needed.

After careful thought, I decided to throw my hat in the ring one more time. DEMCCO has more challenges ahead opening our communities when safe, supporting the Democrats we helped get elected and the 2022 election which promises to be incredibly challenging. I would like to be part of addressing these challenges with DEMCCO. I would appreciate your vote for President.

Regards,
Linda Slater
